3rd Philippine International Fireworks Competition: The Brightest Excitement Continues at SM Mall of Asia!

SM MOA is sizzling to sizzle some summer heat as the clash of international fireworks continues at the only bayside mall of the country! Finland and Portugal raised their country's pride with an amazing fireworks showdown on last Saturday's 3rd Philippine International Pyromusical Competition show!

Oy Forssan Rakett Ltd. of Finland graced the Manila skies with an enchanting fireworks exhibition! It was like a dance of fireflies as the exhibition went on with a romantic, elegant and dramatic approach until Finland's last burst. Grupo Luso Pirotecnia, on the other hand, pumped up the sky with their funky and groovy fireworks exhibition! Portugal's energy was unstoppable making sure that the audience was having the time of their lives!

[illegible]

These international fireworks exhibitors at the 3rd PIPC are truly world-class and one-of-a-kind, giving family and friends an exciting escapade every Saturday. The breeze and the whole stretch of restaurants at SM by the Bay provide an unmatched view of the exhibitions and they offer sumptuous culinary destinations for lovers, friends and families!

[illegible]

This Saturday, watch the fourth show of the 3rd Philippine International Pyromusical Competition! Catch as China's Jiesheng Fireworks Inc. and The Netherlands' Royal Fireworks battle it out through magnificent fireworks showdown at SM by the Bay. China took home the coveted trophy as the champion of fireworks in last year's 2nd Philippine International Pyromusical. Find out if they are in it to win once again or will The Netherlands leave a remarkable statement in the sky?
